PR-403.02 Sick Leave (Applicable to Grandfathered Employees Hired Before July 8, 2012)

- A. Sick leave is part of the integrated program of benefits for Yuma County employees. Such leave is intended for use only under specific conditions as set forth in this policy.

Definition: "Sick leave" is any approved period of paid absence granted an employee due to:

1. Illness, injury or other medical condition which renders the employee unable to perform the duties of the position.
2. Illness, injury, medical condition evaluation procedure, or treatment by a licensed health care practitioner, of an employee's immediate family.
3. For the purposes of this section, immediate family shall be defined as employee spouse, son or daughter, parent and/or individual who stands or stood in *loco parentis*, brother, and sister of employee (if domiciled with employee). The term "dependent child" is defined as a natural child, an adopted child, a foster child, or a stepchild.
4. Sick leave may be used to care for the immediate grandparent of the employee, mother-in-law or father-in-law, but does not qualify under FMLA. (Refer to FMLA-PR-411)
5. Personal necessity leave. On a fiscal year basis, twenty (20) hours of the

CHAPTER IV (BENEFITS)

employee's sick leave balance may be used for personal necessity leave. Personal necessity leave may be taken at any time approved by the agency head, and may be used for any reason. (Refer to FMLA-PR 411)

- B.** Pay period accruals shall occur on the last day of the pay period. Regular and probationary employees shall accrue sick leave on the basis of the number of hours worked in the pay period at the following rates:

3. 40 to 55 hours	1.846 hours per pay period
4. 39 or less hours	no accrual

Part-time employees who work a percentage of full-time other than one-quarter time, one-half time, or three-quarters time will accrue sick leave at the next lower rate.
2. Part-time employees, who work less than one-quarter time, and seasonal, temporary, emergency and clerical pool employees are not eligible for sick leave.

- C.** Accumulation. Sick leave credits are accumulated without limit.

- D.** Use of sick leave.

1. Sick leave may be taken when approved by the agency head. An agency head shall approve sick leave requested as a part of Family and Medical leave for a serious health condition, defined under FMLA. (Refer to FMLA-PR 411)
2. The agency head may require submission of evidence substantiating the need for sick leave. If the agency head determines the evidence is inadequate, the absence shall be charged to another category of leave or considered absence without leave.
3. An agency head may require an employee to be examined by a licensed health care practitioner designated by the agency head. If the licensed health care practitioner determines that the employee should not work due to illness or injury, the agency head may place the employee on sick leave or, if the employee's sick leave is exhausted, on leave without pay. The agency head may require the employee to obtain approval from the licensed health care practitioner prior to returning to work. The agency shall pay for all evaluation procedures required pursuant to this paragraph. The employee shall not be charged any leave while participating in or traveling to or from any evaluation procedure required pursuant to this paragraph. (Refer to FMLA – PR 411)

CHAPTER IV (BENEFITS)

- E.** Movement to another agency. An employee who moves to another County Government agency shall transfer all accumulated and unused sick leave to the employee's sick leave account in the new agency.
- F.** Forfeiture. All sick leave credits are forfeited upon separation from County Government except as otherwise provided by law. However, employees who re-enter the County Government within two years after separation will be credited with all unused sick leave at the time of separation, provided the separation was not the result of disciplinary action, and provided the employee was not paid for accumulated sick leave pursuant to any County plan.
- G.** Payment for sick leave. In order to discourage excessive use of sick leave, any unused portion of personal sick leave credits for eligible employees will be reimbursed to a regular employee separating from County service at a rate of three dollars (\$3.00) per hour of sick leave up to one thousand (1000) hours of any unused accumulated credits. The granting of such reimbursement is conditioned upon the employee having been with the County for five (5) continuous years and the employee providing the County with ten (10) working days notice of separation. Employees eligible for sick leave usage by these rules may use sick leave credits only as provided. Sick leave is a privilege, not a right. Employees are subject to discipline for misuse or abuse of sick leave privileges. This rule (P.R. 404-G) applies to those otherwise exempted by P.R. 103.

PR-404 Attendance

- A.** Every employee is expected to report to work on time for their scheduled shift as predetermined by their agency head. Due to the disruptive nature of unscheduled absences, agency heads may counsel and discipline employees who abuse the leave policy.
- B.** Unscheduled absence is an absence that is not approved in advance by the agency head or designee. Scheduled absences are absences where the employee notified their supervisor prior to a predetermined time established by the agency head or designee.
 - 1. Each time an employee cannot report to his/her scheduled shift, he/she must contact their supervisor to inform them of their absence according to department policy. Employees who fail to follow their department's call-in procedure may receive disciplinary action.
 - 2. Absence control begins at five (5) unscheduled occurrences within a 12 month period. Multiple days of continuous absence are counted as one occurrence. Occurrences of absence are separated by a return to work. The twelve-month period will begin with the date of the first absence.

CHAPTER IV (BENEFITS)

Upon the twelve-month anniversary of each occurrence of absence, it will no longer be considered in the disciplinary procedure outlined in paragraph 5 below.

3. Employees absent three or more consecutive days due to illness may be required to submit a physician's statement indicating they are able to return to work. A physician's statement does not excuse any occurrence of unscheduled absence.
4. Leaving work after reporting to work without prior arrangement is considered an unplanned absence.
5. The following absences, with proper notification, are excluded from this policy:
 - a. Bereavement leave;
 - b. Off work due to a work-related injury with medical verification that the employee is unable to work;
 - c. Off work due to jury duty, military leave, FMLA leave, subpoenas, or any other absence expressly authorized by the County or law; and
 - d. Off work due to a natural disaster or emergency declared by the board of supervisors.
6. The Yuma County disciplinary procedure will be followed when addressing unscheduled leave using the following guidelines:
 - a. Fifth occurrence of absence will result in a documented verbal warning.
 - b. Eighth occurrence of absence will result in a written warning.
 - c. Ninth occurrence of absence will result in an unpaid suspension (3 working days).
 - d. Tenth occurrence of absence will result in an unpaid suspension (5 working days).
 - e. Eleventh occurrence of absence may result in separation from employment.
7. If an employee has established a pattern of excessive absenteeism, the agency head or designee may initiate disciplinary action at anytime notwithstanding PR 404 (B) (6).
8. Supervisors will maintain a current attendance log for each employee containing accurate documentation of absences.

C. Tardiness

1. Every employee is expected to arrive and be ready to begin their workday

CHAPTER IV (BENEFITS)

at the start of their shift as predetermined by the agency head or designee. An employee is tardy when they fail to arrive and be ready to begin their workday at the time predetermined by the agency head or when they return from any unpaid break.

2. Failure to be on time and ready to begin the work day may result in disciplinary action upon the fifth (5) tardy within a 12 month period. The twelve-month period will begin with the date of the first tardiness. Upon the twelve-month anniversary of an occurrence of tardiness, it will no longer be considered in the disciplinary procedure outlined in paragraph 5 below.
3. Each time an employee cannot report to work at their designated start time, but will report to work after that designated start time, he/she must notify their supervisor of their tardiness and their estimated arrival time according to department policy.
4. PTO leave will not be used to cover periods of tardiness.
5. The Yuma County disciplinary procedure will be followed when addressing tardiness using the following guidelines:
 - a. Fifth tardy will result in a documented verbal warning.
 - b. Eighth tardy will result in a written warning.
 - c. Ninth tardy will result in an unpaid suspension (3 working days).
 - d. Tenth tardy will result in an unpaid suspension (5 working days).
 - e. Eleventh tardy may result in separation from employment.
6. If an employee has established a pattern of excessive tardiness, the agency head or designee may initiate disciplinary action at anytime notwithstanding PR 404 (C) (5).

PR-405 Industrial Leave

3. After all applicable leave is exhausted; the employee shall be placed on unpaid industrial leave.

B. Payments

CHAPTER IV (BENEFITS)

 2. If the employee receives a retroactive Workers' Compensation payment for any period of job-related disability, and for that period has received leave payments, the employee shall reimburse the agency for the workers' compensation payments, and the equivalent value of leave shall be restored to the employee's appropriate leave account. The payroll office will reduce the employment taxable wages by the amount of the WC payment.
- C.** Light duty. In the event of a disability that would impair performance on the former job, the agency head shall make every effort to place the employee in a suitable position, as reasonably determined by the agency head.
- D.** Restriction. Sick leave with pay or leave without pay shall not be granted to an employee who fails to accept compensation available pursuant to the industrial injury and disease provisions of A.R.S. § 23-901 to 23-1091.
- E.** Health Benefit Plan participation.
1. An employee who is on leave without pay due to a job-related disability may continue to participate in the Health Benefit Plan for a maximum of six months by paying the employee contribution.
 2. At the end of this six-month period, an employee who remains on leave without pay due to a job-related disability may continue to participate in the Health Benefit Plan by paying both the County and employee contributions, until the employee returns to work or is determined to be eligible for Medicare coverage or Long Term Disability, whichever occurs first.
- F.** Life Insurance Plan participation. An employee who is on leave without pay may continue to participate in the Basic Life and Accidental Death and Dismemberment Insurance Plan by paying the County premium. An employee who elects to continue to participate in the Basic Plan may also continue any Supplemental coverage which is in force at the beginning of the leave without pay by continuing to pay the premium.
- G.** Termination. The insurance coverage of an individual on leave without pay who allows payment of the premiums or contributions to become delinquent shall terminate at 11:59 p.m. on the last day of the period covered by the last premium or contribution paid.
- G.** Accrual of leave. An employee shall continue to accrue full leave credits as long as the employee is using two or more hours of leave each day.

- B.** Use of civic duty leave. Except for voting pursuant to A.R.S. § 16-401 (primary elections) or A.R.S. § 16-402 (general elections), an employee granted civic duty leave shall report for duty with the employing agency whenever the employee's presence is not required for the civic duty, unless:

PR-411 Family and Medical Leave Act

A. Purpose: It is the policy of Yuma County to comply with the provisions of the Family and Medical Leave Act of 1993 and to provide eligible employees up to 12 weeks of leave within a 12-month period for certain family and medical reasons. The County is a covered employer under the Family and Medical Leave Act of 1993, Public Law 103-3 [H.R.1]; February 5, 1993, 107 Stat. 6 to 107 Stat. 29.

1. An employee's rights under the act are set forth below in summary format. The full text of the FMLA is available from the Human Resources Department for review by any employee, and the full text and any statutes or rules, which implement the FMLA, shall govern any employee's rights not withstanding any provision of these Personnel Rules, which may be inconsistent with the FMLA.

B. Eligible employees are Yuma County employees who have worked for Yuma County for twelve months and 1,250 hours during the 12 months preceding the date for the requested leave. For purposes of calculating the 1,250 hour requirement, the number of hours worked does not include paid time off (i.e. PTO leave, vacation, sick leave, holidays, compensatory time off, etc.), any unpaid leave hours, or periods of layoff. Overtime hours are included. The determining factor is whether the time is considered hours of work under the Federal Fair Labor Standards Act (FLSA).

C. Procedure:

Types of Permissible FMLA Leave: An eligible employee may request FMLA leave for one or more of the following reasons.

1. To care for the employee's child after birth, or placement for adoption or foster care;
2. To care for the employee's spouse, son or daughter, parent and/or individual who stands or stood in *loco parentis*; who has a serious health condition;
3. For the employee's own serious health condition (including any period of incapacity due to pregnancy, prenatal medical care or childbirth) that makes the employee unable to perform one or more of the essential functions of the employee's job;
4. For a qualifying exigency (QE) (leave)—arising out of the fact that an employee's spouses, a son or daughter, or parent is a covered military member on active duty or has been notified of an impending call or order

CHAPTER IV (BENEFITS)

to active duty status in the national guard or reserves in support of contingency operations; and/or

5. For an employee to care for their spouse, son, daughter, parent, or next of kin who is a servicemember who has suffered a serious injury or illness in the line of active duty. For the purposes of service member leave/military caregiver leave, the term "next of kin" is defined as the service members' closest blood relative outside of his spouse, parent, or child. If one blood relative has been given legal custody of the service member, then that person would be the next of kin. In all other cases, next of kin would be considered in the following order: Siblings, grandparents, aunts or uncles, and first cousins. If more than one person is equal in this line of succession (e.g., two sisters), then all of the equal blood relations (both sisters, for example) will qualify as the servicemember's next of kin, and all of them can take leave under this provision of the FMLA. If the servicemember has designated a blood relative to be his next of kin, then that person will be considered the servicemember's only next of kin for purposes of this FMLA provision.

D. Calculation of Leave:

1. An employee may be allotted up to 12 weeks of paid or unpaid leave for an FMLA qualifying reason during a 12-month period. The 12-month period will be determined on a rolling 12 months basis measured backward from the date an employee uses his/her FMLA leave. All FMLA leave used during that period will be counted as part of the allowed 12 weeks of FMLA leave.
 - a. Example: A covered employee requests 12 weeks of FMLA leave to begin June 1, 2009 for a permissible Medical Leave reason. The employee had previously used six weeks of approved FMLA leave from July 11, 2008 through August 19, 2008 for a permissible Family Leave reason. Thus, the employee only has six weeks of FMLA allotment remaining because the approved Family Leave used during the preceding 12 months counted towards the employee's FMLA allotment. However, the employee may utilize the remaining six-week allotment as long as a qualifying medical leave reason exists.
 - b. An exception to the above example is if both spouses are employed by Yuma County, then the 12 weeks of Family Leave is limited to a combined total (between the spouses) of 12 weeks during the 12 months following the birth or placement of a child.
2. Servicemember leave/Military Caregiver leave differs from all other types of FMLA leave in that it can last up to 26 weeks (taken in one block or intermittently). This type of leave must be used during a single 12-month period. The 12-month period for this kind of leave begins when the

CHAPTER IV (BENEFITS)

employee takes the first day of the caregiver leave.

- a. All types of FMLA leave taken by an employee during the same 12-month period are added together for purposes of computing the 26-week period. For example, if an employee had already taken 12 weeks of FMLA leave to care for a newborn or their own serious health condition, the employee would only have 14 weeks remaining to use for injured servicemember leave.

E. Serious Health Condition: A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

1. Hospital Care: Inpatient care (i.e. an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or subsequent treatment in connection with or consequent to the inpatient care; or,
2. Absence Plus Treatment: A period of incapacity of more than three consecutive calendar days (including any subsequent treatment or period of incapacity relating to the same condition) that also involves either; (1) treatment two or more times by a health care provider, by a nurse or physician's assistant under the direct supervision of a health care provider or by a provider of health care services (i.e. physical therapist) under orders of, or referral by, a health care provider; or (2) treatment by a health care provider on at least one occasion which results in a regime of continuing treatment under the supervision of the health care provider.
3. Pregnancy: Any period of incapacity due to pregnancy and pre-natal care.
4. Chronic Conditions Requiring Treatments: A chronic condition which (1) requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under the direct supervision of a health care provider; (2) continues over an extended period of time (including recurring episodes of a single underlying condition) and (3) may cause episodic rather than a continuing period of incapacity (i.e. asthma, diabetes, epilepsy, etc)
5. Permanent/Long-term Condition requiring supervision: A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider (i.e. Alzheimer's, a severe stroke, or the terminal stages of a disease).
6. Multiple Treatments (Non-Chronic Conditions): Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under the orders of, or on referral by, a health care provider, either for restorative

CHAPTER IV (BENEFITS)

surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.) severe arthritis (physical therapy) and kidney disease (dialysis).

F. Employee Request for FMLA Leave: A leave of absence may be counted toward an employee's FMLA allotment even if they do not specifically request FMLA, so long as the reason for the leave qualifies under the FMLA and the leave is properly documented by the Appointing Authority and Human Resources. However, to be assured of certain protections offered by the FMLA during the leave of absence, employees must request FMLA leave.

1. An employee must submit to Human Resources a request for a leave of absence not less than 30 days prior to the requested start of the leave.
2. If the reason for the leave could not have been foreseen 30 days in advance, the employee must submit the request for leave within five (5) days after the need for leave is discovered.
3. If an employee is incapacitated, a family member or other responsible party may submit the request for leave on behalf of the employee.
4. An employee request for a leave of absence may be verbal or in writing, and should include applicable documentation verifying the need for the leave. Provisional approval of leave should be granted pending receipt of more complete documentation, if original information is unavailable, incomplete, or inadequate.

G. Required Documentation:

When an employee requests FMLA leave—human resources will request the completion of a certification of health care provider form or appropriate documentation within 15 calendar days of the date of the request. (The Certification of Health Care Provider form is the only acceptable form that may be used by Human Resources to obtain information from the employee's health care provider.) In the event a medical emergency or other unforeseeable event prevents the completion of the Certification of Health Care Provider form, the employee must contact Human Resources as soon as practicable to request an extension.

H. Approval of FMLA Leave:

If sufficient documentation has been provided by the employee to determine whether the requested leave qualifies under the FMLA, Human Resources will notify the employee and the employee's director in writing that the leave is being approved as FMLA leave.

1. If the employee has not submitted sufficient documentation to make the

CHAPTER IV (BENEFITS)

determination, Human Resources shall immediately notify the employee in writing that the leave is being approved as FMLA leave subject to the receipt and review of the Certification of Health Care Provider form.

2. Human Resources shall provide the employee with a copy of the Certification of Health Care Provider form to assist the Health Care Provider in completing the required analysis. The Certification of Health Care Provider form and attachments should be given or sent directly to the employee for the employee to submit to his/her own Health Care Provider.
3. It is the employee's responsibility to return the Certification of Health Care Provider form within 15 calendar days after receipt of the notice of eligibility and rights and responsibilities FMLA form. Refusal to provide the requested certification within the designated time may result in the denial of leave and/or disciplinary action, up to and including dismissal. Additional medical clearance may be required upon return to work if the leave was approved due to the serious health condition of the employee.
4. Upon receipt of the completed Certification of Health Care Provider form, Human Resources should review the information provided to determine whether the reason for the leave constitutes a serious health condition. If Human Resources determines that the information provided in the Certification of Health Care provider is sufficient to conclude that the employee's condition is a serious health condition, Human Resources will notify the employee in writing that the leave has been given final approval.
 - a. The final approval letter should also specifically indicate the start date of the FMLA leave and anticipated return to work date. If an employee disagrees with the start date established by Human Resources, the employee must notify Human Resources of the dispute as soon as possible.
 - b. If the information provided in the Certification of Health Care Provider is not sufficient to conclude that the employee's condition is a serious health condition, Human Resources may either request that the employee obtain clarification from the employee's Health Care Provider (within seven days to correct incomplete or insufficient certifications) or may request that the employee receive an additional examination by another Health Care Provider designated by Human Resources.
 - c. The additional examination shall be at the employer's expense. In the event that the additional examination concludes that the employee's condition is not a serious health condition, Human Resources may request that the employee receive a third examination by a Health Care Provider designated by an agreement with Human Resources and the employee. The third examination shall be at the employer's expense, and shall be

CHAPTER IV (BENEFITS)

conclusive.

- d. If an employee fails to obtain and return the required documentation to Human Resources within 15 days, Human Resources will notify the employee of the omission, and require submission of the documentation. By the fifteenth (15) day, if Human Resources determines that the documentation is insufficient, the employee will then have seven (7) days to provide sufficient documentation. An employee who fails to submit the required supporting documentation within the required seven-day (7) time frame may be subject to disciplinary action by the agency head up to and including dismissal. Additionally, the provisional approval of the employee's leave may be revoked, and the employee may be deemed absent without authorized leave.

I. Designation of Leave as FMLA Leave: Human Resources may designate (in writing) a qualifying paid or unpaid leave of absence as being counted toward an employee's 12 week allotment under the FMLA, even if the employee has not requested an FMLA leave. In order to do so, however, Human Resources must obtain the appropriate documentation to demonstrate that the leave was taken for an FMLA qualifying reason. It is recommended that whenever an employee has been absent for three (3) or more full working days due to a possible FMLA qualifying reason, Human Resources should designate the leave as FMLA leave in writing, pending receipt of appropriate documentation. Human Resources determines whether the reasons for the leave qualify under the FMLA.

J. Requests for Intermittent or Reduced Scheduled Leave: Approval of an employee's request for leave on an intermittent or reduced scheduled basis (rather than consecutive days) will depend upon what the request is for.

1. If the request is to care for the employee's child after birth, or placement for adoption or foster care; Human Resources may permit the employee to take the leave on an intermittent or reduced schedule basis (including absences of less than a full day). However, if Human Resources determines that the leave will not be approved on an intermittent basis, it does not mean that Human Resources may deny an otherwise qualifying leave request altogether.
2. If the request is for any other FMLA purpose, Human Resources must approve the leave on an intermittent or reduced schedule basis if the use of intermittent or reduced schedule leave is determined to be medically necessary by an appropriate Health Care Provider. However, even where the use of intermittent or reduced schedule leave is determined to be medically necessary by an appropriate Health Care Provider, Human Resources may work with the employee to determine the best means of scheduling of the intermittent or reduced schedule leave based upon the operational needs of the organization.

CHAPTER IV (BENEFITS)

3. If leave is approved on an intermittent or reduced schedule basis, only the time not actually worked by the employee will be counted toward the employee's allotment under the FMLA. The time not worked will be calculated on an hourly basis. Time not worked as part of a part-time light duty assignment may also be counted towards an employee's FMLA allotment.
 4. An employee's request for intermittent or reduced schedule leave must be made in the same manner and within the same time restrictions as a request for FMLA leave on a consecutive day basis.
- K. Use of paid leave during FMLA leave:** if FMLA is approved, the employee will first use all available compensatory leave, then PTO leave, then sick leave, and then annual (vacation) leave
1. Documentation of the amount of FMLA leave used by an employee is both the human resources' and the agency head's responsibility. Human Resources will track and maintain records relating to FMLA leave as reported by the agency head. If any portion of the FMLA leave is to be without pay, the leave must be entered as FMLA unpaid.
- L. Continuation of Benefits:** During the period of the FMLA leave, the employee's health insurance coverage will be maintained at the same level and under the same conditions that coverage would have been provided the employee had remained on the job continuously. The employee's share of any health insurance premium and any other employee-paid premiums will continue to be the employee's responsibility. In the case of unpaid leave, the employee should contact the Benefits Representative to make arrangements for payment of any benefits that would normally have been paid through payroll deduction.
- M. Employment upon Return to Work:** Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. Human Resources and the agency head may hire an individual in a temporary status to replace the employee on FMLA leave, subject to fiscal considerations.
- The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.
- N. Records and Confidentiality:** Human Resources shall maintain the following records detailing FMLA leaves of absence:
1. Documentation of the employee's request for Family or Medical Leave.
 2. Written records showing the date that the employee's verbal or written request was received.
 3. Documentation of approval or denials of FMLA leave, including start date,

CHAPTER IV (BENEFITS)

and anticipated return date, for any approved leave.

4. Dates FMLA leave was taken, including dates and hours taken, if leave was taken in increments of less than one full day.
 5. Employee medical certification records: (note: Retention of all medical information must be done in compliance with the Americans with Disabilities Act's confidentiality requirements and HIPAA). All employee medical information that contains specific information regarding an employee's current diagnosis, prognosis, medical condition or medical history must be maintained in a separate, sealed and locked file, apart from general personnel files in Human Resources. Absent extraordinary circumstances, immediate supervisors will only be informed regarding an employee's restrictions related to their Essential Functions and/or necessary accommodations.
 6. Documentation regarding any dispute between the employee and Human Resources or agency head regarding the designation of the leave as FMLA leave.
 7. Written documentation indicating that the employee has been offered FMLA leave and either chooses not to take it, and/or terminates as an alternative to the FMLA leave.
 8. The agency head will maintain time sheets and other related payroll, benefits and earning records.
- O. Enforcement:** The U.S. Department of Labor is authorized to investigate and resolve complaints of violations.
1. An eligible employee may bring a civil action against an employer for violations.
 2. FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.
 3. An employee may grieve any violation of the FMLA which directly affects the employee; this right to grieve, however, shall not limit in any manner any right the employee may have under Federal or State law to bring civil action for any violation.

 - a. Expiration of its term and the employee's return to work.
 - b. The rescission of the leave without pay by the agency head prior to its scheduled expiration, due to an unforeseen and unexpected pressing necessity resulting in an insufficient number of employees available to provide service. The agency head shall provide written notice of such rescission to the employee's last known address at least 15 days prior to the date the employee is required to return to work.  - b. If no funded position is available to accommodate an employee's return to work on the first working day following the expiration of the approved leave without pay or any extensions, the employee may be separated without prejudice.

PR-417 Extended Illness Leave

- A. General:** To establish guidelines and procedures by which Yuma County employees may donate accumulated leave to employees with serious medical conditions. This policy is based on compassion and generosity and may promote a spirit of cohesiveness and mutual support among employees.
1. Employees with serious medical conditions may seek limited financial relief through the donation of PTO or vacation leave and sick time from fellow employees. This will enable employees to remain on paid status after PTO, annual (vacation), compensatory time and sick leave have been exhausted.
 2. Donation of PTO leave, vacation leave, and sick time may be made among all levels of County employment and is based on the dollar value of the leave donated.

CHAPTER IV (BENEFITS)

3. The Extended Illness Bank (EIB) shall be funded by accrued PTO leave, annual vacation, and sick leave that is donated by fellow employees; and by donations of separation sick leave; and by donations of separation PTO (deducted from the reimbursable hours) pursuant to PR-417E (2) of this policy. All donations shall be strictly voluntary.
4. The dollar ratio of donated leave will be adjusted proportionately to the salaries of the donor and recipient. The payroll office is responsible for making such calculations. The recipient and the County are under no obligation to repay the donated hours of monies once they have been donated.

B. Policy: Yuma County recognizes the existence of circumstances under which non-job-related illnesses or injuries and other emergencies may occur that causes employees to exhaust all leave balances. It is the objective of Yuma County to provide eligible employees with the opportunity to recuperate from extended illness or injuries without undue hardship. This opportunity in the form of paid leave from the EIB is a privilege, not a right. The County has established the following process through which employees may donate to or seek the use of donated hours from the Extended Illness Bank (EIB).

C. Eligibility: An employee may receive payment under this EIB program if the employee, as defined under the FMLA, suffers from an illness, non-job related injury, or impairment which has caused, or will cause the employee to go on leave without pay or if an employee's family member, as defined under the FMLA, suffers injury or illness which requires the employee's care, or qualifies under the service member or caregiver leave (as defined under military statutes). Employees must follow the appropriate procedures for obtaining a leave of absence before making the application to receive donated leave.

1. The recipient must follow the Yuma County policies concerning use of leaves of absence and FMLA.
2. The recipient must be in regular status as a Yuma County employee, with at least twelve months of employment and have worked a minimum of 1250 hours within the last 12 months; and have completed original probation in order to draw from the EIB. (Refer to FMLA section 411)
3. The recipient must have exhausted all leave to be eligible to receive credit from the EIB program.
4. The employee or immediate family member (as defined under the FMLA) must qualify for leave under the provisions of the FMLA.
5. The recipient must not be receiving funds from workers' compensation, or long-term disability.

CHAPTER IV (BENEFITS)

6. The employee is not eligible to receive payments from the retirement system to which they are contributing.
7. The employee is not eligible to receive social security disability benefits.
8. The employee is not eligible for any publicly funded financial assistance program for disability.

The maximum cumulative donated leave that may be given to a recipient will be 160 hours within a 12-month period. The 12-month period will commence on the date of the first day of extended illness leave.

A potential recipient may apply before paid leave balances are exhausted, and if accepted, payment will be made when eligibility begins.

D. PROCEDURES TO REQUEST EXTENDED ILLNESS LEAVE:

Requesting Extended Illness Bank (EIB): An employee wishing to receive Extended Illness Leave shall submit a completed EIB form to the Human Resources Department. In the event that the employee is unable to do so, a personal representative may submit the request on behalf of the employee.

1. The Human Resources representative will process the request, reviewing it for eligibility and assigning a numeric code no later than three (3) working days after receipt of all required FMLA documentation.
2. The approved request will be forwarded to the Financial Services department and solicitation (if applicable) will be announced via intranet (via email). In compliance with HIPAA the medical condition will remain confidential.
3. Once the request is approved, the Human Resources Department shall notify the recipient or personal representative.
4. Payment for approved EIB hours will be depending upon actual need and the dollars available in the bank. There will be no retroactive applications of EIB funds, except to correct administrative errors.
5. In the event that the EIB application is denied, the Human Resources representative shall notify the applicant or personal representative of the specific reasons for denial.
6. If the employee is on FMLA leave, the period of time paid by the EIB of up to 160 hours shall also run concurrently with unpaid leave under the Family & Medical Leave Policy.
7. The usage of EIB does not allow for the accrual of any other paid leave or for the payment of holiday pay.

CHAPTER IV (BENEFITS)

E. PROCEDURE TO DONATE HOURS TO THE EXTENDED ILLNESS BANK:

1. **Donations to EIB:** An employee wishing to donate PTO leave, vacation, or sick leave may do so by completing a leave donation authorization form and forwarding it to Finance, Attention: Payroll.
 - a. An employee may donate up to 160 PTO or vacation hours per calendar year. An employee who donates PTO or vacation leave must maintain a minimum balance of 160 PTO or 40 vacation hours.
 - b. An employee may donate up to 80 sick hours per calendar year. An employee who donates sick leave must maintain a minimum balance of 160 sick hours.
 - c. Pursuant to PR-403C. (G) the eligible employees may donate any unused portion of sick leave credits to the EIB upon separation from County service.
 - d. Any accumulated vacation in excess of 240 hours may voluntarily be donated to the EIB, instead of forfeiting it.
 - e. Any unused portion of a donation made to a specific employee will be transferred to the EIB general pool unless the donor requests, upon making the donation, that any unused portion of the donation be transferred back to their accrued time. This will not apply to those making donations pursuant to PR-417(E) (1) (C) & (D).
 - f. Donors will remain anonymous unless indicating otherwise on the form upon making a donation.
 - g. If the donation request is not approved, the Payroll Office will notify the donor of the reason for disallowance.
2. The value of a donation is determined by the value of the time before donated and transferred to EIB general or specified pool and the same will retain this value, forever. To illustrate:
 - a. John Doe earns \$20.00 an hour. He donates 10 hours of time to the EIB general pool. The value of this donation is \$200.00.
 - b. Jane Doe earns \$20.00 an hour. She donates 10 hours to John Roe, who earns \$15.00 an hour. The value of the donation to John Roe is \$200.00.
 - c. John Roe uses only \$150.00 of the donation. Jane Doe requested that any unused portion be returned to her accrued time. 2.5 hours

CHAPTER IV (BENEFITS)

of leave time will be transferred back into her accrued vacation time.

- d. John Roe uses only \$150.00 of the donation. Jane Doe did not request that any unused portion be returned to her accrued time. \$50.00 will be transferred into the EIB general pool.
- e. John Roe is retiring and donates all of accrued separation sick time, 100 hours, to be used by Jane Doe. The value of the donation is \$300.00 (\$3.00 x 100). If Jane Doe does not use the entire \$300.00, the unused portion must be transferred into the EIB general pool. (See PR-417(E) (1))

PR-418 PTO or Vacation Buy Back

A. Purpose: The purpose of this policy is to establish guidelines and procedures for the buyback of certain employee PTO or vacation benefits.

- 1. The establishment of such a PTO or vacation buyback program promotes efficiency and morale by providing a mechanism whereby eligible employees may sell back to the County PTO or vacation hours that will not be used for other purposes.
- 2. The PTO or vacation Buy Back Program shall be funded on a fiscal year basis, contingent upon Board approval. In all cases, employee participation in the program is strictly voluntary.
- 3. It is a violation of Yuma County policy and public policy for any County employee to coerce, threaten, intimidate or financially induce or reward another employee to participate in the PTO or vacation Buy Back Program.

B. Policy: Yuma County recognizes the existence of circumstances under which some employees have accumulated PTO or vacation hours that will not be used in a calendar year and will be rolled over to the next year. It is the objective of Yuma County to provide eligible employees with the opportunity to take time to recreate each year while at the same time reducing the total outstanding hours of PTO or vacation it is obligated to pay.

An employee may sell back to the County one week (40 hours) of PTO or vacation for each calendar year.

2. Specify when, during the course of the calendar year, the one week (40 hours) minimum PTO or vacation will be taken or has been taken. The Human Resources Department will process the request, reviewing it for eligibility.
3. Payment will be paid at the employee’s current rate, as calculated by Payroll, and paid during the pay period stated in the letter addressed to the agency head.

PR-421 Educational Involvement Leave

The Yuma County Board of Supervisors recognizes the importance of excellence in education and commits its support of education through the participation of County employees in the educational process. All employees are encouraged to actively participate in the educational system by volunteering in the schools and, as appropriate, by becoming involved in the education and development of their children.

In order to support employees and to foster educational involvement, the County will provide paid educational involvement leave to all regular status employees upon adoption of this rule. This leave may be used for time away from work in a certified pre-school, accredited private school, or public school setting for purposes of:

1. Assisting in tutorial programs.
2. Serving as a guest lecturer.
3. Attending parent-teacher conferences or other school-supported activities.

Under provisions of this policy, the County will donate on a matching basis up to eight (8) hours of educational involvement leave to each full-time regular status employee per school year. (Leave for regular status part-time employees will be prorated.) As a result, one-half of the required time away from work will be contributed by the County, while the other half will be taken from accrued comp time or PTO leave.

Effective with the pay period beginning August 1 of each year, regular status employees will have the appropriate educational involvement leave hours available for use during the coming school year through August 1 of the next year. Educational involvement leave hours do not accumulate, will not be carried forward from year to year, and will not be paid out upon termination.

Educational involvement leave requires the advance approval of the agency head or their designee. Validation of attendance at school activities may be required. Any abuse of this policy shall be grounds for disciplinary action.

A. Authority

1. Loan Repayment Assistance Program (LRAP) has been authorized by the Yuma County Board of Supervisors pursuant to A.R.S. §11-251 and the Yuma County personnel rule PR-302.

B. Modifications/review

2. The effectiveness of the program will be reviewed by the Board of Supervisors after three (3) years to determine if the program should be continued, adjusted or terminated.

C. ATTORNEY Loan Repayment Assistance Program

The specific objectives of this program are:

1. To enable attorneys who have the background and dedication to provide effective legal representation in service to the citizens of the County; and
2. To increase diversity among those providing legal services to the citizens of the County by enabling attorneys from various economic backgrounds to take government-service positions; and
3. To enable attorneys who enter government service with the County to remain in their chosen field; and
4. To help the County better compete for talented legal professionals.

D. Eligible employees must be classified regular full time and meet the following criteria:

1. Working in an attorney or attorney supervisor position within the County Attorney, Public Defender or Legal Defender office. Part-time attorneys are eligible for pro-rated benefits, if they work at least half-time. Contract and temporary attorneys are not eligible. An attorney must have received a rating of "meets" or equivalent on their most recent performance evaluation.
2. Must not be on probationary or disciplinary status.

CHAPTER IV (BENEFITS)

3. Attorneys are eligible to apply for participation in the program upon completing 12 consecutive months of employment in a qualifying position immediately preceding the date of the application submitted under section e below. Attorneys will begin receiving benefits for the quarter in which they are accepted into the program.
4. Attorneys who complete 12 consecutive months of employment in a qualifying position in the middle of a quarter will be eligible to receive benefits for the following full quarter upon acceptance into the LRAP.
5. Such benefits will be based on the actual amount of payment made in same quarter of the preceding year ("qualifying quarter"), subject to the limits addressed in Section D.4, above.
6. Employees eligible for loan repayment funds from other sources (i.e. governmental programs, National Association for Public Interest Law (NAPIL) or Equal Justice Works (EJW) fellowships, law school programs, etc.) must first apply to these programs for assistance.
7. Employees must apply for and participate in all other sources of loan repayment assistance, forgiveness, and cancellation that are available to them. Only those amounts an attorney is required to pay after taking advantage of all other programs are eligible for this program. Attorneys shall certify that they have taken advantage of all other programs available to them and that they are otherwise eligible for reimbursement on the initial application and quarterly proof of payment forms.

E. Educational debt eligibility is defined as:

1. A student or educational loan is eligible for repayment under this program if it is listed below:
 - a. Stafford Direct (subsidized or unsubsidized) Loan - a loan made, insured, or guaranteed under Part B of Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §1071, 20 U.S.C. §1078-8, and 20 U.S.C. §1087a, et seq;
 - b. Perkins Loan – a loan made, insured, or guaranteed under Part D or E of Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§1087aa – 1087ii;

CHAPTER IV (BENEFITS)

- d. Private educational loan or private educational consolidated loan – a private commercial educational loan or private commercial educational consolidated loan, subject to the provisions of subsection 3(b); or

- 4. Loans consolidated with spouses' loans are eligible if both spouses are employed with the county and all loans consolidated meet the eligibility requirements of this program. However, if one spouse reaches LRAP eligibility status prior to the other spouse, that spouse is eligible to receive benefits even though the other spouse is not yet eligible. Each spouse's benefit is limited to the amount they could have received absent the consolidation. upon application of an eligible spouse, that spouse's share of the remaining balance of the consolidated loan will be determined based on that spouse's share of the original consolidated loan, and that amount will be used to determine that spouse's benefit under this program.
- 5. Attorneys must submit documentation verifying educational loan debt and repayment schedules. Attorneys must also submit information on each loan including proof of the original principal amount for each loan and the calculated monthly repayment.

Attorneys are then required to submit documentation each quarter of the actual payments made on each loan to qualify for matching reimbursement, up to the maximum allowable benefit. F. Benefit disbursement

1. The program provides a maximum, total benefit of \$60,000 per attorney-applicant.

Example I: Employee begins employment on January 1, 2009. On January 1, 2010, the attorney-applicant becomes eligible to participate in LRAP. The first quarter of 2009 is the "qualifying quarter." Benefits to be received in the first quarter of 2010 are based on the actual payments made in the qualifying quarter. Therefore:

- a. If employee made monthly payments of \$500.00 in January and February, and \$600.00 in March of 2009, the attorney-applicant will be entitled to LRAP benefits equal to \$1,500.00 for the first quarter of 2010.
2. Attorneys currently employed by the County who have met the eligibility requirements as stated herein, will be eligible for benefits upon the effective date of the program, as indicated by the Board of Supervisors.
3. In order to receive reimbursement, the participating attorney must submit proof of actual education loan payment(s) made during the qualifying quarter, as provided in section j below. In order to receive the full benefit repayment, the proof of actual educational loan payment must equal the benefit amount. The program benefit payment will, in no instance, be more than the amount of actual loan repayment paid by the attorney in the qualifying quarter as provided in Section (J) below.
4. Receipt of benefits does not constitute a legal entitlement to future benefits nor does it constitute a right, promise or entitlement to continued employment. Employees must report any changes in eligibility to their office's Program Administrator within 30 days of the change.

G. Program participation voluntary

Participation in the program is voluntary. A participating attorney may decide to end his or her participation in the program at any time.

CHAPTER IV (BENEFITS)

I. Tax consequences
